OFFICE OF THE DIRECTOR OF AGRICULTURE IN MYSORE, BANGALORE.

Notification, dated 10th September 1924.

In modification of Notification, dated 23rd January 1924, published in the *Mysore Gazette*, of the 31st January 1924, it is hereby notified that the restriction therein imposed as regards (1) the sale of paddy straw in the Bangalore and Goribidanur Fodder Stores to *bona fide* raiyats only and (2) the quantity sold to each purchaser, is under, Government Order No. 151-2—D, dated 5th September 1924, removed. As long as the present stocks last, the straw will be sold to the public at prices already fixed, *viz.*, 60 lbs. per rupee.

LESLIE C. COLEMAN,
Director of Agriculture.

GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

Notice, dated 1st September 1924.

Notice is hereby given that sealed tenders will be received at the office of the General Superintendent, Cauvery Power Scheme, Sivasamudram, up to 7th October 1924, for "raising and strengthening the flood bunds at Headworks, Sivasamudram." The tenders will be opened in public at 2 P.M. on Tuesday the 7th October 1924. The time required to complete the work and monthly progress should be indicated as these will be some of the chief factors in the award of tenders. The work should be completed within four months from the date of acceptance of the tender.

2. The plans, detailed estimate and conditions may be obtained at the Chief Electrical Engineer's Office, Bangalore, between the hours of 11 A.M. and 5 P.M. on all working days or at the office of the General Superintendent, Sivasamudram between 8 A.M. and 4 P.M. on all working days.

3. Tenders should be submitted on printed form which may be obtained from the office of the Chief Electrical Engineer or the General Superintendent, Sivasamudram. The tenders should be accompanied by a statement in the form given below showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 200 in cash or Government promissory notes, as earnest money and be superscribed "Tender for raising and strengthening the flood bunds at, Headworks, Sivasamudram," in default of which, tenders will be rejected.

5. Final acceptance of any tender will rest with the Chief Electrical Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender. The Chief Electrical Engineer has also the discretion to reject any or all of the tenders without assigning any reason therefor.

6. Within eight days of the award of the tender, the successful tenderer will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful tenderer will be posted on the notice board in the Chief Electrical Engineer's Office and the General Superintendent's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. The construction work should be started within fifteen days from the date of notification of the acceptance and completed within four months from the same.

10. Any other conditions that the contractor may wish to state should also be included in his tender.

11. Specification for surki mortar is 1 of sand and 1 lime and one surki. For cement pointing 1 cement and 2 sand. Specifications for work are the same as those contained in the Public Works General No. 14 and Public Works Department Tank Manual, lastest edition.

12. If the contractor is willing, mortar will be ground in the Cauvery Power Scheme Power Mills at Sivasamudram, materials being supplied by the contractor. The cost of power, grinding, haulage of mortar from Mills to the workspot being borne by the contractor.
